

# THE PICNIC PANTRY & PARLOUR

## WINE CLUB MEMBERSHIP

My name is Traci Smith and I have been enjoying wine for most of my adult life. My love of and passion for food and wine lead me to open my first wine bar and restaurant in San Diego, California in 2008. It was my love of the Pacific Northwest that brought me back to my home state of Washington, where I moved to Camano Island and opened The Picnic Pantry in 2017, bringing my passion for wine to the Stanwood and Camano area. My goal in purchasing and selling wine has always been to find good value wine from all around the world that is made well, with a focus on small production wines, and those that practice sustainable farming as much as is possible. I also look for wines that are varietally correct, showcasing the grapes in their pure and delicious form so that the nuances of the grapes come through and accentuate the food or event with which it is being paired. This is a unique wine club in that we are not a winery, yet have access to thousands of wineries from around the world. Because of that I will choose wines for each shipment that over deliver for the price that you will pay. I look for crowd pleasing wines that most people will enjoy and feel proud to share with guests, yet affordable enough to drink with a weeknight dinner.

***Remember, life is too short to drink the same wine twice!***
